It looked like curtains for the Mackmen but Thompson led off in the last of the eighth with a double. Pendieton fassed and McCloskey then sent in the champion plack hitter of them all. Kitty Knight. The fans yelled for a double and Kitty accommodated them by gracking the ball to the scoreboard, scoring Thompson. McCreety offered him a beek but that didn't bother Kitty, who lit on the first ball pitched. Hallo knocked our down at the plate and was thrown out and Mathes singled, sending Knight to third but Perrine was trasble to connect.

Kalio retired the Solons in order in the minth and in their half, the Mackmen got busy. Bauer led off by hitting a drive to center field for one base. McCreery fooled Duddy with three crops and Blus then got into the hit column for his second.

LOS ANGELES papers contain a y hint that the Angels are going to exercise their option on Don Rader, the crack shortstop of the Old Pueblos, and that it would be no surprise if he were recalled about the first of August. Rader is the best looking shortstop in the Rio Grande association and if the Angels fail to exercise their option, Jim Brown will have no trouble disposing of him to another club.

EVEN the big league scouts are coming this week and the first of them is due here this afternoon, Hugo Besslek recommended Sammy Beer last season but he was not taken up because of lack of weight. The Pirates have grabbed Bobby Steele, who isn't a bit bigger than Sammy nince then, however, and if Sammy can get them going right when Bezdek is here there is no tell-ing what may happen. It is under-stood also that Bezdek wants to have a look at George Duddy.

RIO GRANDE PARK has accommedation for nearly 4000 fans. The club has been getting only fair support and it is about time that the seating capacity gets a real test.

CALIFORNIA motorists are tickled by a new ruling of the state cials. Instead of issuing new numbers every year for autos, the board will issue a number and as long as the owner renews it every year by paying the annual auto tax be will retain that number. This will save getting new number plates every season.

System of Docking Pay of Fighter Discovered Shamming Is Advocated by Referee in Suggestion that Referees Be Given Same Powers as Ball Game Umpires;

ILWAUKEE, Wis., June 15.—During the past season many boxing matches were held where the principals were accused of either "fak-ling" or not putting forth their best efforts, with the result that the fans, in numerous instances, lost interest in the sport. Promoters of boxing shows that the fans, in numerous instances, lost interest in the sport. Promoters of boxing shows that is the legitimate ones, have endeavored to remedy the evil, but with the boxers having pretty much their own way about everything, it is a hard matter to do so.

In a talk with Harry Stout, the Mill-wankee referee, regarding the matter, the latter suggested that the boxers befined the same as the players in baseball. Mr. Stout has refereed matchet all over the west and has had 20 years' experience in the ring. Speaking of the matter, referee Stout kays:

Proven System of Fines.

"My lies of protecting the promotors and fans would be to have the refereed and fans would be to have the refereed siven the same power as umpires in baseball. Charlie White, the Chicago light-weight star, has been traveling at a ripd pace since he met Freeds Weigh in their second bout of 18 rounds be-

He sidn't see the play in the ninth when Bliss tried to stoal home and was frank in admitting that he didn't know whether Bliss was safe or out. Most ball players would have declared a decision favoring their team right, whether or not they saw the play.

The tie game will likely be played off as the second part of a double bill on Sunday afternoon.

WILDING'S YOUNGER BROTHER

BOOMED FOR TENNIS STAR New York, Jane 19.—It is not likely that the name of Wilding, made famous in the annals of international lawn tennis by Anthony F. Wilding, will disappear from the lists of future Davis cup matches.

This is a younger brother who is rapidly rounding into the foliacess of racquet skill, and who is confidently expected to fill the gap in the Australian ranks left vacent by the untimely death of the well beloved Teng Wilding.

F. M. B. Fisher of Wellington, N. Z.

Wilding.

F. M. B. Pisher of Wellington, N. Z., who is a member of the Australian parliament, has attended most of the cup matches on local courts.

'The younger Wilding is every hit as good as his brother Tony," said Pisher. "He was a bit shy of the game because of the achievements of his older brother. He just needs a bit of coming on to be the duplicate of Tony. He's a hard hitting young fellow, who knows the science and the strokes."

Charlie White Is Engaging in Many Bouts.

Why Not Britten, Tee.

There is only one mark against Charlie White since he entered the lightweight claus—that one a defast in 19

As evidently made a reel comeinack, at least for a time. Following his hard 10 round bout in Milwaukee with Flichie Mitcheil, the former champlon went east and tackled that tough

rushing matters. Ad eigned up immediately with Young White at Appleton.

possibly the big holiday date. Ad
needed plenty of road work to put his

been doing of late, besides Recepting up
his boxing with his sparring partner,
Freddy Andrews.

One thing the fans may always be

London Drops Bexing Game.

According to late advices from the other side of the Atlantic the boxing game has about closed for the summer in London, while in Paris there is nothing doing in that him at all. In a letter of May 30 my correspondent, Edward Dyer, says:

"The bir match of the morth was the one between Owen Moran and Lew Edwards for the featherweight title, which was woo by Edwards, as a gradicted, although some of the betting men favored Moran. Homhard'er Wells has folned the army and roes to the front, so there will be no Wells-Frank Moran battle, as had been talked of. Dick Burgs, the promoter and at one time champlen, who fought Jack Moran battle, as had been talked of. Dick Burgs, the promoter and at eneting champlen, who fought Jack Moralific here, has also joined one of the regiments. Pat O'Keefe, the middle-weight champlon, has recruited 25 of our best boxers for the regiment has abortage of good boxers here.

"Jack Johnson is back in Paris and wired bere that he is coming over to London, but I don't think the public will give him much of a reception. They have not been any too strong for him in the past year or two. There is talk that he will try to get into vandeville, which would be more sufted to him, for the fellow is really ciever along those lines.

"I understand the National Sperting chuk will not open assain until the fall season, about the latter part of October, when an affort will be made to match Freddy Welsh against Jerry Delaney for the British title. Welsh will have look or over and defend his title or loss the Loundale belt."
